

# smooze!® is simple.

Our ingredient lists won't baffle you with numbers, or include long names that sound like they came from a mad scientist's lab.

Smooze is simply made with freshly pressed coconut milk, real fruit juices, and fruit purees - not concentrates or reconstituted juices.

freeze

cut

push

slurp!

Smooze takes longer to freeze than other frozen treats. Go to [smooze.com.au/about/tips/](http://smooze.com.au/about/tips/) for freezing instructions.

## Everything that goes into Smooze is 100% natural.
